The Influence of Aspect of Planets on Solar Eclipse

1. The 4th aspect of Mars on solar eclipse results in fires, smuggling, and war clouds at few places.

2. As Mercury is involved by conjunction with Sun Moon Rahu being retrograde causes bitterness amongst rulers and miscommunications will happen via media

3. Jupiter being retrograde (considering in the previous house) will be able to curtail mishaps to an extent as it is weak.

4. Due to the aspect of Saturn being retrograde (considering in the previous house) drought, thefts, etc. take place, the rains are scarce.

5. Whenever Jupiter, Venus, or Mercury is in earthy Signs Earthquakes occurs or tremors are felt.

6. In the Kundali given below Jupiter is in Capricorn, Venus in Taurus, and Mercury by retrogression moves to the previous sign Taurus – All criteria for earthquakes are fulfilled.

7. Observe the closeness of degree aspect of Saturn on Sun and Moon at the time of an eclipse, Per Vrihat Samhita "*Malefic planet aspect or conjoined with luminaries bring war and natural calamities*" one needs to closely observe watch situation.

8. Retrograde Saturn having a high chestabal aspect by 3rd on Mars and Neptune which can troublesome.

9. Combo Saturn Jupiter who both retrograde in Capricorn, keeping in mind Jupiter in debilitated with limited powers.

10. Total of 4 planets in retrogression viz Jupiter, Venus, Saturn and Mercury, Jupiter and Mars in Infant stages as degrees are almost near to zero degrees

11. Lagna is in Gandanta at the time of eclipse

The Results of Solar Eclipse after Lunar Eclipse

If the lunar eclipse is followed after 15 days by Solar eclipse then rulers become tyrants. The mutual love of married persons is reduced. Note Lunar eclipse not visible in India but wherever seen the effect as described will be felt.
